

Mohammed-Fareed Ekiola

Cloud Systems Engineer | Houston, TX | 346.433.1697 | fareedekisola@outlook.com

Objective

Cloud infrastructure specialist skilled in Azure, Entra ID, and Windows Server. Passionate about automating infrastructure, enhancing security, and delivering scalable cloud solutions.

Experience

Meriplex | Cloud Infrastructure Analyst, 2024 - Present

- Administer hybrid identity across Entra ID, Active Directory, and Microsoft 365 for 500+ users, ensuring secure access.
- Troubleshoot and resolve identity sync, authentication, and VPN issues using PowerShell and Group Policy, while automating repetitive tasks to reduce recurring incidents.
- Manage Hyper V and VMware vSphere infrastructure and support Azure Virtual Desktop (AVD) environments.
- Configure and maintain FortiGate firewalls, including access policies, NAT, and VPN connectivity.
- Monitor and optimize 300+ endpoints and servers using Intune, Kaseya, PRTG, and ConnectWise, leveraging automation and alerting to maintain performance and SLAs.

DOE CyberForce Competition - Cyber Defense Engineer (Blue Team),

2025 University of Houston

- Defended an enterprise IT/OT environment during live cyber-attack scenarios, identifying and mitigating real-time threats under pressure
- Hardened Windows and Linux systems using GPOs and baseline security controls.
- Implemented centralized logging and network segmentation (IT/OT/DMZ).
- Performed incident response while maintaining service availability under constraints.

Stevenson and Sons | IT Analyst, 2023 - 2024

- Supported Windows Server, Exchange Online, and SharePoint across hybrid environments.
- Migrated 200+ users from on-prem Active Directory to Entra ID.
- Improved endpoint security using GPOs, Microsoft Defender, BitLocker, SCCM, and Intune.
- Configured switches and routers, managing VLANs and site connectivity.

The Home Depot | Repair Technician, 2022 - 2024

- Troubleshoot systems using Azure, Active Directory, and Microsoft 365 tools. Reduced customer downtime through proactive system maintenance.

Sales Associate, 2022

- Drove 80% sales growth through expert product knowledge and customer service.

Education

University of Houston, BS Computer Information Systems	2026
Houston Community College, AS Computer Information Systems	2024

Skills & Certifications

Certifications: Azure Administrator (**AZ-104**), AWS Solutions Architect (**SAA-C03**), Azure Fundamentals (**AZ-900**), CompTIA A+, Mimecast MSP Email Security, Cloud Integrated, Mimecast Maverick

Programming & Scripting: Python, PowerShell, SQL, Bash, KQL

Cloud & Tools: Azure, AVD, AWS, AI, Microsoft 365, VMware, Git, Entra ID, Intune, PRTG, Kaseya, LM

Infrastructure: AD, GPO, DNS, DHCP, VPN

Soft Skills: Communication, Problem-solving, Time management

Projects & Collaborations

AD DS to Entra ID Migration (**AZURE, WINDOWS SERVER, ACTIVE DIRECTORY, ENTRA ID**), 2025

- Migrated on-prem Active Directory to Entra ID using Azure AD Connect for hybrid identity.
